ABOUT ME

I am an active third-semester Information Systems student at Universitas Pendidikan Ganesha. I have a strong interest in user interface design and cybersecurity. With experience in organizational activities and international journal teams, I have developed adaptability, creativity, and independent learning skills. I also enjoy working collaboratively and have good communication abilities. Currently, I aspire to pursue a career as a Business Analyst

EXPERIENCE

- Team Member, International Journal Team, Undiksha (2025–Present)
- Group Mentor, Faculty Orientation Program, Undiksha (2025)
- Secretariat Committee Member, Faculty Event Committee Programs, Undiksha (2024)

INTEREST AND GOALS

- Interests: UI/UX Design, Business Analysis, Cyber Security
- Short-Term Goal: To excel academically while seeking an internship to apply theoretical knowledge in a professional setting and build a strong practical skill set.
- Long-Term Goal: To build a career as a Business Analyst, translating complex business requirements into effective and user-friendly technological solutions.
